## PROFILE

Sal Peer developed Website Rabbit as a solution for small business. As demand for web design grows we believe great designs and service explains our passion.

"I created Website Rabbit to help small business owners simplify their online presence. Today, we'll-designed logos, websites and collateral are must-haves. "  
~ Sal Peer

That is where we come in. Design is our passion and we're here to help. We build responsive websites for brands with a collaborative, logical and artful approach
